JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

PORT LIMON, *April 29, 1900.*

SIR: I have the honor to submit report for the week ended April 28: The following vessels have cleared from this port direct for United States:

Date.	Vessel.	Master.	Number of crew.	Destination.	Number of passengers.	Number of pieces baggage disinfected.
Apr. 22	Steamship Esther	Olsen	17	New Orleans, La	0	0
Apr. 26	Steamship Olympia	Seiders	39	do	0	0
Apr. 27	Steamship Beverly	Israel	34	do	0	0
Apr. 28	Steamship Ethelwold	Henshaw	23	do	0	0

There have been 2 deaths during the week, both on April 28. One a child twelve days old, of enteritis; the other a child of two years, from malarial dysentery. The health of this port is good.

Respectfully, J. GREY THOMAS,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

CUBA.

Reports from Cienfuegos, Casilda, and Santa Cruz del Sur.

CIENFUEGOS, CUBA, *April 30, 1900.*

SIR: I have the honor to report that during the week ended April 28, 15 deaths have occurred in this city—1 from malaria, 2 from intestinal diseases, and 1 from tuberculosis. Six deaths in the civil hospital. No contagious diseases reported. Health of port is good. Death rate for the week in the city is 19.55 per 1,000. Four foreign vessels have entered this port during the week and 3 have cleared for other ports. No alien steerage passengers have been landed at this port during the week.

Santa Cruz del Sur.—Dr. Juan R. Xiques reports no deaths and no contagious diseases in that vicinity during the week. Inspected 1 foreign vessel previous to departure for the United States.

Respectfully, F. E. TROTTER,
Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

CIENFUEGOS, CUBA, *May 3, 1900.*

SIR: I have the honor to forward the following report from substation at Casilda for the week ended April 28, which arrived too late to be included in our regular weekly report.

Casilda.—Dr. Alejandro Cantero reports 8 deaths in the city of Trinidad for the week ended April 28; no contagious diseases; health of port good.

Inspected 1 foreign vessel during the week.

Respectfully, F. E. TROTTER,
Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.
